

Wheaten Meetin' Checklist!

For you:

- Sunscreen
- Black pants and shirt for parade - **MANDATORY** - layers work best if it is cold out!
- Comfortable shoes (black!) for the parade
- Camera
- Light and heavy jacket (It could be 10 degrees or 70 degrees - this IS Missouri!)

For your Wheaten:

- Update bordetella **AT LEAST 2 weeks** prior - later than that will make your Wheaten more susceptible to getting kennel cough.
- Copy of shot records
- Collar with metal buckle - the plastic ones break - don't take a chance!
- Tag with your name and number that can reach you on the road (or use rescue # 816.506.7283). **Be doubly safe and have your dog microchipped as well!**
- Waste pickup bags - please use them when walking your dog on the hotel grounds!
- Carry along water for the parade route
- Short lead for use in Meetin' Hall and in the Parade - **NO FLEXI-LEADS!**
- Portable crate for use in your hotel room
- Towels (paper/reg) in case of a clean up emergency on the road
- First Aid Kit

For the Meetin':

- Craft items to share to decorate your parade hat (we will provide glue, scissors, hats)
- Item to donate to the auction/raffle

General:

Dogs will be required to be on leash at all times during the Meetin'. We don't allow long or flexi-leads during the parade or in the Meetin' room due to the tangle and trip hazards they pose - **NO EXCEPTIONS.**

Please be very diligent in picking up after your pet on the hotel grounds!
Please do not allow your dog to run up to or jump on other people or to bark in the common areas of the hotel. Not everyone enjoys the enthusiastic greetings like we do!
